

Munser states their quality policy as follows:

- \* Munser is firmly focused on accomplishing with the quality standards required by our customers.
- \* The continuous improvement determines the intended direction of our company, that is why the human team will always be reinforced to offer excellence in the demanding aviation industry.
- \* We are determined to comply with local legislation in every country we operate, always undertaking our ethical engagement.
- \* In order to be effective and consistent in our actions, all our personnel and stakeholders are to be in line with such principles.
